announcing
Awake Breast Augmentation
& Smart Lipo

Awake Breast Augmentation is an increasingly popular procedure that avoids the risks of traditional, general anesthesia. **Smart Lipo** is the first laser-assisted liposuction technique and is the state-of-the-art in liposuction.

Dr. Sam Sukkar is a board certified plastic surgeon with expertise in these **innovative procedures** and all types of **cosmetic plastic surgery**.

Visit **DrSukkar.com** today for **special offers**, and to learn more about procedures that interest you in our new **online 3D education library**.
